REFERENCE DESIGN

# Extra-large boardrooms

Get incredible microphone pickup and stunning visuals in extra-large boardrooms up to 35' x 55' (10.7 x 16.8 m). Thanks to Nureva's sound location data for automated camera switching, Avocor's sleek bezel-free displays and AVer's versatile professional cameras, remote participants will never miss a thing. And everything is simple to install, manage and use.

TAA COMPLIANT

# Solution components
